

March 22, 2005

TO: Transportation Directors

FROM: June F. Eanes, DOE  
Velera Gammons, VAPT President

SUBJECT: **New Procedures** for Registering for the Virginia  
Association for Pupil Transportation (VAPT)  
Conference in Hampton, June 19-22, 2005

For the first time, the Virginia Association for Pupil Transportation (VAPT) has contracted with the National Association for Pupil Transportation (NAPT) to handle registration for the June conference. This means that you may register for the conference on the web through <http://www.NAPT.org> by clicking on the VAPT logo.

You will be allowed to register ten people at a time. If you wish to register more than 10 people, just log into the site again. Payment may be made by using a credit card or a Purchase Order. Once the registration is completed on-line, you will receive a confirming e-mail that will contain detailed information on your registration.

The attached packet of materials also gives you the option of registering on paper as in the past. However, the forms must be submitted to NAPT, 1840 Western Avenue, Albany, NY 12203 along with your check. Please make the check payable to NAPT.

If you have questions concerning the registration, you may call June F. Eanes at 804-225-2037 or Bridget Languth, NAPT office at 1-800-989-NAPT (6278). They will be glad to assist you.
